Getting the Most from WES 2024

The themes are designed to help you and your school navigate the sessions, during the live Summit and throughout the year.

- Peak**
Cultivate your inner self by exploring research and strategies to nurture, grow and flourish personally and professionally.
- Broadening Horizons**
Explore more future thinking. Lift your head above the parapet to see different views and approaches – with impact at the centre and AI featuring significantly.
- Base Camp**
The core aspects of teaching, learning and leadership. These are the essential sessions for any educator.

Discover more sessions for impact all year long.

With sessions organised by theme, role and phase; build a pathway for your professional learning for the whole year.

Here is an example of how this can be applied across your school:

CHOOSE 4 across the 4 live days

Key members of staff attend 4 to 8 targeted sessions at the live Summit, others will have access and can dip in as and when time allows for inspiration.

TARGET 10 for the next 10 months

Choose 10 Base Camp sessions for leaders and teachers. These sessions can be used as training sessions; as stimulus for unpacking in teams, or independently.

IMPACT all year long

Focus groups could be assigned to 4 key sessions from Broadening Horizons and Inner Learners. Discuss, implement and apply ideas.
